ASSUMPTION OF RISK AND PERSONAL RESPONSIBILITY AGREEMENT

In consideration for access to the services, clinics, facilities and premises provided by The University of Arizona Department of Campus Recreation Sport Club Program, its officers, directors, employees, agents and volunteers, on behalf of the Arizona Board of Regents, its officers, directors, employees, agents and volunteers (collectively referred to as "Campus Recreation"), for the purposes of athletics, physical fitness, sports, exercise, training and recreational activities (the "Activities" as more fully defined below), I agree as follows:

Although Campus Recreation has taken reasonable steps to provide me with appropriate equipment, facilities and skilled staff so I can enjoy the Activities, I acknowledge that the Activities are not without risk and the safeguards taken cannot constitute a guarantee that injury will not occur. Campus Recreation does not want to frighten me or reduce my enthusiasm for the Activities, but thinks it is important for me to know in advance what to expect and to be informed of the inherent risks of the Activities.

I acknowledge the existence of risks in connection with my participation in the Activities, as well as my use of the equipment, facilities, clinics or services provided by Campus Recreation. My participation in the Activities is purely voluntary and I elect to participate with full knowledge of the risks of injury, illness or damage to property. I accept full responsibility for any injuries, illness or damage to property that I may sustain in the course of such activities. More specifically, I acknowledge and accept the following risks:

Possible accidents, injuries, medical disorders, pain and suffering, lost income and medical expenses resulting from my participation in the Activities, which activities include but are not limited to basketball, volleyball, running, swimming, racquetball, squash, badminton, table tennis, weight lifting, or working out on a piece of cardio equipment, and my use of Campus Recreation's equipment, facilities, premises, clinics, including negligent instruction, supervision or failure to warn by Campus Recreation.

Possible injuries and medical disorders arising out of the Activities and/or negligent instruction, supervision or failure to warn by Campus Recreation include but are not limited to heart attack, stroke, heat stroke or exhaustion, sprains, broken bones, torn muscles, torn ligaments, cuts, splinters, scrapes, bruises, dislocations, concussions, drowning, nerve damage, eye injury, tendonitis and brain or spinal cord injuries, which may result in temporary or permanent paralysis, loss of bodily functions, disability or even death.
